When is my coverage effective?	Your effective date of coverage is 11/01/2017. If you become eligible after this date, please see your plan administrator for your effective date.			

<p>Do I have to take a health exam to get coverage?</p>	<p>You may receive coverage without answering any medical questions or providing evidence of insurability if you apply for coverage within 31 days after your eligibility date.</p> <p>Please see your plan administrator for your eligibility date.</p>
<p>What if I am out of work when the coverage goes into effect?</p>	<p>Insurance will be delayed if you are not in active employment because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.</p>
<p>What is my maximum monthly benefit amount?</p>	<p>Your total monthly benefit (including all benefits provided under this plan) will not exceed 100% of your monthly earnings, unless the excess amount is payable as a Cost of Living Adjustment.</p> <p>However, if you are participating in Unum's Rehabilitation and Return to Work Assistance program, your total monthly benefit (including all benefits provided under this plan) will not exceed 110% of your monthly earnings (unless the excess amount is payable as a Cost of Living Adjustment).</p>
<p>Can my benefit be reduced?</p>	<p>Your voluntary disability benefit may be reduced by deductible sources of income and any earnings you have while disabled. Deductible sources of income may include such items as disability income or other amounts you receive or are entitled to receive under: workers' compensation or similar occupational benefit laws; state compulsory benefit laws; automobile liability and no fault insurance; legal judgments and settlements; certain retirement plans; salary continuation or sick leave plans; other group or association disability programs or insurance; and amounts you or your family receive or are entitled to receive from Social Security or similar governmental programs.</p>
<p>When would I be considered disabled?</p>	<p>You are disabled when Unum determines that due to your sickness or injury:</p> <ul style="list-style-type: none"> • you are unable to perform the material and substantial duties of your regular occupation; and • you have a 20% or more loss in your indexed monthly earnings due to the same sickness or injury. <p>After 24 months of payments, you are disabled when Unum determines that due to the same sickness or injury, you are unable to perform the duties of any gainful occupation which you are reasonably fitted by education, training or experience.</p> <p>You must be under the regular care of a physician in order to be considered disabled.</p> <p>The loss of a professional or occupational license or certification does not, in itself, constitute disability.</p> <p>*Unless the policy specifies otherwise, as part of the disability claims evaluation process, Unum will evaluate your occupation based on how it is normally performed in the national economy, not how work is performed for a specific employer, at a specific location, or in a specific region.</p>
<p>Do I have to pay for the coverage if I become disabled?</p>	<p>You will not be required to pay VLTD premiums as long as you are receiving VLTD benefits.</p>

Can I receive rehabilitation and return-to-work services?	If you are deemed eligible and are participating in the program, Unum will pay an additional benefit of 10% of your gross disability payment to a maximum of \$1,000 per month.
What other services are available?	If you are disabled, participating in the rehabilitation and return-to-work assistance program, and have dependent care expenses, you may also receive the dependent care expense benefit — \$350 per dependent per month, to a monthly maximum of \$1,000 for all eligible dependents combined.
What else is included with this policy?	<p>Worldwide emergency travel assistance is included with this voluntary long term disability plan. Emergency travel assistance is available to you, your spouse* and your dependent children when you travel to any foreign country, including Canada or Mexico. It is also available anywhere in the United States when you travel just 100 or more miles from home.</p> <p>* A spouse traveling on business for his or her employer is not covered by the program.</p>
Does this plan include help with work-life balance?	Yes. Our work-life balance employee assistance program (EAP) provides professional advice for a wide range of personal and work-related issues. The service is available to you and your family members 24 hours a day, 365 days a year. It provides resources to help you find solutions to everyday issues — such as financing a car or selecting child care — as well as more serious problems, such as alcohol or drug addiction, divorce or relationship problems. There is no additional charge for using the program, and you do not have to have filed a disability claim or be receiving benefits to use the program.
What happens if I die while receiving disability benefits?	<p>Your eligible survivor will receive a lump-sum benefit equal to three months of your gross disability payment if, on the date of your death, you had been disabled for 180 or more consecutive days, and you were receiving or were entitled to receive payments under the plan.</p> <p>You may request this benefit early if you have been diagnosed with a terminal illness resulting in a life expectancy of less than 12 months, and you are receiving monthly payments. If you choose to receive this benefit, no survivor benefit will be payable to your eligible survivor upon your death.</p>
Are my benefits taxed?	It depends on how your premium was taxed during the plan year in which you become disabled. If you paid the premium for the plan year with post-tax dollars , your benefits will not be taxed. However, if you paid the premium for the plan year with pre-tax dollars, your benefits will be taxed. If you paid the premium for the plan year with a combination of pre- and post-tax dollars, then a portion of your benefits will be taxed. Any benefit that is paid by your employer is generally taxable.
Does my plan cover mental and nervous conditions?	Yes. Depending on your plan, the lifetime cumulative maximum benefit period for all disabilities due to mental illness is 24 months. Only 24 months of benefits will be paid for any combination of such disabilities — even if the disabilities are not continuous and/or are not related. Payments may only continue beyond 24 months if you are confined to a hospital or institution as a result of the disability.
What is not covered?	<p>Benefits would not be paid for disabilities caused by, contributed to by, or resulting from:</p> <ul style="list-style-type: none"> • Intentionally self-inflicted injuries; • Active participation in a riot;
